

The Success of the Original
supports the imitations and there's a crowd of them hanging to Pearl-line. It does work for them, as it does for everybody. It saves them talk, too. It's the one cry of the peddler that his imitation is "the same as Pearl-line," or "as good as Pearl-line." It isn't true, but it shows what he thinks of Pearl-line. He knows that Pearl-line is the standard—the very best for its purpose. So does everybody who has used it.
Beware of the basket gang—beware you get Pearl-line. Get it from your grocer—and send back any imitation he may send you.
Pearl-line is never peddled, and is manufactured only by
J. W. PEARL, New York.
